

Dear Louisiana NATS Members:

As we discussed in our previous state chapter meeting, in lieu of a guest artist, we are going to host a scenes concert featuring our Louisiana students.

Please try your best to include your students. The more representation we have, the richer the experience will be for all involved.

The scenes concert will be held on Friday, 2/21/2025 at Northwestern in Natchitoches (time TBD).

If you have a group that wishes to participate, please submit a proposal to Johnnie Bankens (johnnie.bankens@selu.edu) no later than Friday, February 7, 2025 11:59 p.m. Please include the following information in your proposal (it's an easy one, I promise!)

1. Name of musical/opera
2. Student names and corresponding character names
3. Length of scene
4. Brief scene synopsis
5. Will you provide your own pianist? Y/N.
6. Please list any scene requests re: props - NOTE: We will do our best to help with prop requests, but we do ask that everyone do their best to provide their own props if very important to the scene.

Northwestern will provide stage blocks and chairs
No costumes allowed/please wear concert black
Lighting will be bare bones (lights up/lights down)

If you are unable to provide your own pianist, please submit a pdf copy of your music along with your proposal.

Thank you,

Johnnie
