

Parking at University of Louisiana at Monroe

Parking permits are not required during our conference. All ULM parking is open to the general public on weekends, though ULM PD have requested that we prioritize using commuter and visitor parking spaces.

The parking lots in front of Biedenharn Hall, Brown Auditorium, and the ULM Police Station (facing Desiard St.), as well as all street parking in front of Emy-Lou Biedenharn Recital Hall (facing University Ave.) are open to the general public during our conference. Members may park in front of the Library (facing Northeast Dr.) for our luncheon and chapter meeting on Saturday.

A ULM parking zone map can be accessed here:

<https://www.ulm.edu/parking/zones.html>

For your convenience, the fastest route from Biedenharn Hall to the Library is shown in yellow. Exit from the parking lot onto University Avenue, and turn right onto Northeast Dr.
