

NATS Parking at Mississippi College

Parking is very tight at Mississippi College, and there is no reserved parking for NATS on campus. The best place to park will be the lot north of First Baptist Church (the block east of Aven Hall). FBC is not indicated on the Campus Map, but it is in the block occupied between Monroe St. and East College St. Most campus lots are full most days, but there is also the possibility of using the Commuter lot behind the stadium and the large parking garage (55 on the Campus Map). The top level might be the best opportunity for a space.

Please display the NATS Visitor sign on the dash of your car.
